**Description:**

Hudson Yards is the largest private real estate development in the history of the United States and the largest development in New York City since Rockefeller Center. The site will include more than 17 million square feet of commercial and residential space, state-of-the-art office towers, more than 100 shops, a collection of restaurants, approximately 5,000 residences, a unique cultural space, 14 acres of public open space, a 750-seat public school and a 200-room Equinox® branded luxury hotel—all offering unparalleled amenities for residents, employees and guests. The development of Hudson Yards will create more than 23,000 construction jobs.
