

Life Time Athletic

605 West 42nd Street, New York, NY

Project Owner:

Life Time Athletic

Installation Type:

Commercial Installation

Design Team

- Architect: Rockwell Group
- MEP Engineer: Emanuelson-Podas Inc.

Mechanical Contractor:

Heritage Mechanical Services, Inc

Manufacturer:

- Prihoda Fabric Duct System
- Titus: Fan Powered Boxes, VAV's & Air Outlets

Completion Date:

- 2016

Challenges/Problems/Solutions:

Multi Story fast track health club with indoor cycling studio, basketball court, (1) Indoor pool (2) Outdoor pools, Cafe, Hamam and Cold Plunge, Treatment Rooms & Nail Salon. All equipment releases were critical for job schedule, carpentry finishes and air outlets needed to be integrated to allow for smooth installation and completion. Duct Socks installed in basketball court added to the athletic decor.

Description:

Life Time is comprehensive health and lifestyle company that offers a personalized approach to health and wellness.
