

Syosset Hospital

221 Jericho Turnpike, Syosset, New York

Project Owner:

Northwell Health System

Mechanical Contractor:

- Botto Mechanical

ADE Contact:

- Sales: Nick Cotumaccio

Manufacturer:

Quantech - (2) QTC3075, 75 ton air-cooled chillers

Completion Date:

- 2016

Challenges/Problems/Solutions:

Due to the sensitive nature of a hospital setting, cooling in summer months is critical. ADE was able to procure the units within one week to avoid an extended downtime of permanent cooling for the hospital patients and staff.

Description:

Syosset Hospital, member of the Northwell Health (formerly North Shore-LIJ) is home to the Centers of Excellence in Bariatric Surgery & Orthopaedics. The radiology department has the most advanced high-speed CAT scan technology available. The Hospital has received many awards including the American Heart Association/American Stroke Association's Get With The Guidelines®—Stroke Gold Plus Quality Achievement Award.
