

VA NY Harbor Healthcare System, 423 East 23rd Street, New York, NY

Project Owner:

US Department of Veterans Affairs

Design Team

- Architect: HDR Architecture and Engineering PC
- Engineer: HDR Architecture and Engineering PC

Mechanical Contractor:

- Mec-Con Associates, Inc.

Manufacturer:

- Camfil

Completion Date:

- 2016

Challenges/Problems/Solutions:

- Deliver and install bag-in/bag-out units in a existing limited space, both indoor and on the roof
- The units required redesign and the installation conditions were not as originally as thought and in order to accommodate the aggressive schedule

Description:

The VA Medical Center New York is located on the East River in the heart of New York City's health care community on 1st Avenue at East 23rd Street.
