

HVAC SOLUTIONS FOR COMBATING COVID-19

150 Albany Avenue, Freeport, New York 11520

We are all working together to come up with solutions for our industry as we embrace the new norm. Together with our manufacturers, we have come up with a quick reference sheet utilizing the capture/kill approach to achieve 98%, 95% and 90% efficacy: [Quick Reference Guide](#)

In addition, we have included a document that discusses HVAC solutions for combating COVID-19: [HVAC Solutions](#)

As we gather more information we will be sure to share. For previous articles and references please visit our website: [ADE News Section](#)
